About me

As an American expat studying in the UK, I know the impact that experiencing new places can have on a person. My brand focuses on affordable travel, UK lifestyle, and expatriate adjustment strategies. When you partner with me, you will know that you are getting an authentic individual who wants to achieve success on both sides.

WHAT CAN I DO FOR YOU?

As my travel blog's followers grow by 40% a month, I expect to attain a few thousand engaged followers by the end of the year. I am beginning my outreach to partnerships, and want you to be a part of it. I offer high quality photos, exposure on various social media channels, and referrals in the future.

I am confident in the services I produce, and know you will be as well!

SERVICES

INSTAGRAM POST

A single post which will reach my followers and beyond, with intentional and well-researched hashtags.

INSTAGRAM STORIES

Engaging and personable stories, where I provide honest thoughts and opinions, alongside well-documented photography.

INSTAGRAM REEL

Proud to say this is where I excel - I am confident in my editing abilities and in my knowledge on the reels algorithm. Can provide photos and videos at an additional cost.

BLOG POST

1000-2000 words post on topic of your choice. This word count has been proven to perform best with my audience.

FACEBOOK POST

My Facebook posts reach a unique audience from other social channels. We'll identify which formatting works best for your brand.

CONTENT CREATION

The full package. Photography, editing, caption generation, hashtag strategy, and more. My expertise for your social channels.

**Prices may vary - please reach out for additional details.*
